

Year 1 Parent Leaflet

Spring 1

Miss Cunnane and Miss Brown have had a fantastic first term, with all the children are enjoying their learning! We are excited about our new topics.

Please remember, we are here to answer any questions or concerns that you may have. We are available at the end of the school once we have dismissed the children.

Curriculum Overview

English— This term we will be reading Lost and found, and Leo the Octopus. We are working on using 'and' to join words and phrases, as well as using adjectives to describe. We are also working on applying our spellings in writing.

Maths— In Maths, we will be looking at numbers to 20, beginning to understand place value.

History— In history we will be learning about childhood in the 1950s. We will be looking at items from the 1950s and comparing them to things we use in the present.

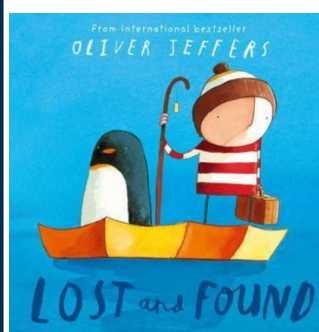

Science— In Science, our topic will be 'holidays', where we are continuing to look at different animals and materials.

RE and PSHE— In RE, we will be looking at places of worship and why they are special. In PSHE we will be looking at keeping ourselves safe.

Art and Music— In music, we will be looking at music 'by the sea', and using instruments to make different sounds. In art, we will be looking at paper and different ways we can roll, cut and sculpt.
