Rochdale parent carers voice chat

Email: rochdalepcv@outlook.com

Are you a Parent Carer of a child or young person (0-25years) with **SEND (special educational needs and/or disability)**, looking to make a positive impact on services and support?

We want to hear from families navigating through SEND services and support.

By sharing we can co-produce change.

The Rochdale Parent Carers Forum is your link to sharing lived experiences and ensuring your voice is heard.

A friendly space where you can talk with practitioners & other parent carers to discuss concerns, good practice and suggested improvements.

Our main purpose is to provide a voice amongst the decision-makers and service providers - whilst we offer a friendly ear, we are a forum to promote positive action.

Join us today and become a member of the Parent Carer Forum. We can signpost you to the relevant services and support, share important information and updates on changes to laws and policies affecting children and young people with SEND and also offer opportunities to access training and coaching for both parents and professionals - making this a joint effort by all.
