

This week, a pupil in Class 11 has written a **book review** for us to enjoy .

I am really enjoying reading Sterling by Harry Coninx. This book is about Raheem Sterling and his journey to being one of the best footballers in England. The book details Raheem's rise to fame from when he played at Liverpool FC, to when he moved to Manchester City Football Club and then onto Chelsea, where he plays now. I really like this book because I get to learn information about footballers that I enjoy watching play. I have also read a book about Marcus Rashford which is by the same author. I like the author's style of writing because he builds up the tension to big games which excites me when I am reading it.

My favourite books is 'Room on the broom' by Julia Donaldson.

I like this book because it has a witch who casts magic spells. The witch loses lots of things when she is flying, such as her wand. Then she collects animals on her broom who try and help her, they are then her friends.

People who like witches and magic books will like this book.

My favourite book is 'Burglar Bill' by Janet and Allan Ahlberg.

I like this book because it is interesting and it makes me laugh. I like the part of the story where burglar Bill steals a box and finds burglar Betty's baby in it. The ending is nice to because Bill and Betty live happily ever after.
