

Hopwood C.P. School

Year 3 Parent Leaflet

Spring 1

Mr Humphreys and Mrs Webb have had a fantastic first term and all the children are enjoying their learning!
We are excited about our new topics and class performances.

Please remember, we are here to answer any questions or concerns that you may have.

Curriculum Overview

English — We will be using our Star Books to begin writing instructions for recipes, character and setting descriptions- exploring ambitious vocabulary. We will begin looking at using adverbials of time, place and manner within our writing.

Maths — We will be concentrating on formal written methods for addition, subtraction, multiplications and division. We will also begin to focus on length and perimeter.

Science — We are going to be focusing on electricity, what a light source is and making electrical circuits.

History — In History, we are going to be learning about The Stone Age - life throughout this time in history and the settlement of Skara Brae.

Art — We are learning about First Nations Art, Paul Klee and creating a journey piece of art.

Music — We are focusing on Chinese New Year, learning a new dance and the music that accompanies it.

RE — We are learning about Christianity, communities and the Church.

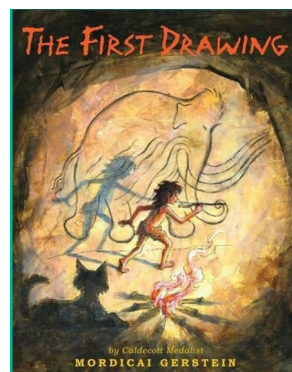

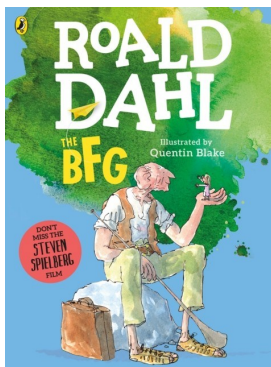

PSHE — We are learning how to keep safe and stay away from harm.

Spanish — We are practicing our pronunciation and numbers.

Computing — In computing lessons, we are focusing on spotting and correcting bugs.
