

Hopwood C.P. School

# Year 3 Parent Leaflet

## Spring 2

Mrs Webb and Mr Humphreys have had a fantastic half term and all the children are enjoying their learning! We are excited about our new topics and class performances.

Please remember, we are here to answer any questions or concerns that you may have. We are available at the end of the school once we have dismissed the children.

### Curriculum Overview

**English**— We are going to be writing a letter of advice, creating our own wild flowers, writing descriptions about them and writing information leaflets about the wilderness.

**Maths**— We are going to be learning all about fractions, being able to compare and order them. We will also be learning about mass and capacity.

**Science**— We are going to be learning all about plants; the parts of plants, how plants grow and pollination.

**Geography**— We are learning about why the climate is important and in this unit we will explore weather, climate and biomes.

**DT**— We are going to be creating our own bookmarks using our stitching skills to help us to create them.

**Music**— We are going to be learning about Indian music and composing our own piece using dynamics and tempo.

**RE**— Christianity is going to be explored throughout our RE lessons in which we will learn all about Easter, Good Friday and the crucifixion.

**PSHE**— We are going to learn how to be our best by learning about wellbeing and how our choices in life can affect this.

### Star Books

### Important Dates

Check your emails for letters with additional information.

#### WC

24.2.26— After school clubs start

## Computing

This half term we are learning about communication online, specifically using emails. Use the QR code below to see how to stay safe online.

In Geography we are learning all about biomes. Why not get a head start using the BBC bitesize website and scan the QR code below.

### Activity 2: Quiz - Biomes
